BIENVENIDOS CHILDREN'S CENTER FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Bienvenidos Children's Center Foster Family Agency (the FFA) in April 2015. The FFA has two licensed offices, one located in the First Supervisorial District and one located in San Bernardino County. Both offices provide services to the County of Los Angeles DCFS placed children and to children placed by various other counties. According to the FFA's Program Statement, its stated purpose is "to provide short-term emergency and longer term therapeutic foster care to children and siblings who cannot immediately return home to their families, and to work with all related parties toward reunification or some other appropriate permanency plan."

At the time of the review, the FFA supervised 229 DCFS placed children in 58 Certified Foster Homes (CFHs). The placed children's average length of placement was 16 months and their average age was 8.

SUMMARY

During CAD's Contract Compliance Review: the interviewed children generally reported feeling safe in the FFA's CFHs, having been provided with good care and appropriate services, being comfortable in the placement environment and treated with respect and dignity. The Certified Foster Parents (CFPs) reported they were supported by the FFA staff in their efforts to provide care, supervision, and service delivery to the children placed in their homes.

The FFA was in full compliance with 8 of 11 areas of CAD's Contract Compliance Review: Certified Foster Homes; Facility and Environment; Education and Workforce Readiness; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

"To Enrich Lives Through Effective and Caring Service"

CAD noted deficiencies in the areas of: Licensure/Contract Requirements, related to Community Care Licensing (CCL) citations; Maintenance of Required Documentation and Service Delivery, related to not developing timely, comprehensive initial and updated Needs and Services Plans (NSPs) and not developing timely and comprehensive quarterly reports; and Health and Medical Needs, related to one child not receiving a timely follow-up medical examination.

Attached are the details of CAD's review.

REVIEW OF REPORT

On July 20, 2015 Tony Curry, DCFS CAD held an exit conference with the FFA representatives: Stephanie Ivler, Director of Foster Care and Adoptions, Jocelyn Corominas, Regional Office Supervisor, Victoria Ramirez, Regional Office Supervisor, Theresa Carraso, Regional Office Supervisor, and Elizabeth Mariscal, Quality Assurance Coordinator.

The FFA representatives agreed with the review findings and recommendations, were receptive to implementing systemic changes to improve the FFA's compliance with regulatory standards and agreed to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this report has been sent to the Auditor-Controller and CCL.

The FFA provided the attached approved CAP addressing the recommendations noted in this report.

CAD conducted a follow-up visit to the FFA on November 2, 2015 and verified implementation of the CAP.

**BIENVENIDOS CHILDREN'S CENTER FOSTER FAMILY AGENCY
CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The following report is based on a "point in time" review. This compliance report addresses findings noted during the April 2015 monitoring review. The purpose of this review was to assess Bienvenidos Children's Center Foster Family Agency (the FFA's) compliance with its County contract and State regulations and included a review of the FFA's program statement as well as, internal administrative policies and procedures. The compliance review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social/Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, 12 placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed each child and reviewed their case files to assess the care and services they received. Additionally, four discharged children's files were reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, two placed children were prescribed psychotropic medication. The children's case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed six Certified Foster Parent (CFP) files and five FFA staff files for compliance with Title 22 Regulations and County contract requirements. Site visits were conducted to the FFA and the Certified Foster Homes (CFHs) to assess the quality of care and supervision provided to the placed children.

CONTRACTUAL COMPLIANCE

CAD found the following three areas to be out of compliance:

Licensure/Contract Requirements

- Community Care Licensing (CCL) citations.

CCL cited the FFA as a result of a complaint received by CCL on January 12, 2015. According to the report dated April 23, 2015 CCL substantiated a complaint of lack of supervision against the CFPs when it was discovered that the CFP's daughter took and sent sexually explicit photos of placed children to an adult male online. CCL requested a Plan of Correction (POC), which

BIENVENIDOS CHILDREN'S CENTER FOSTER FAMILY AGENCY COMPLIANCE REVIEW
PAGE 6

included the FFA providing the CFP with one on one refresher training for age appropriate supervision as well as, internet safety. The POC was cleared by CCL on May 7, 2015. This referral was investigated by a DCFS Emergency Response (ER) Children's Social Worker (CSW) and allegations of Physical Abuse, General Neglect and Sibling At-Risk were determined to be inconclusive. The Out-of-Home Care Investigations Section (OHCIS) conducted a supplementary investigation and determined that the CFP failed to properly supervise the placed children in her care. On May 12, 2015, a Corrective Action Plan (CAP) was requested requiring the FFA to reduce capacity and change the age range of placed children in the home and to provide verification of completion of the POC. On June 22, 2015, OHCIS approved the submitted CAP. On July 15, 2015, the FFA decertified the home.

CCL cited the FFA as result of a complaint received by CCL on February 6, 2014. According to the report dated May 12, 2014, CCL substantiated a complaint against the FFA when it was determined that a male CFP walked into the bathroom while a child was using the bathroom/toilet. CCL requested a POC, which required the FFA to provide further training to the CFP on personal rights and training by CFPs to placed children instructing them how to lock the bathroom door, if age appropriate. The POC was cleared by CCL on June 5, 2014. This referral was investigated by a DCFS ER CSW and allegations of General Neglect were determined to be unfounded. OHCIS also investigated this referral and determined that the CFPs failed to provide food for the placed children in their care. On April 13, 2013, a CAP was requested requiring the FFA to provide verification that the FFA re-trained the CFP regarding proper supervision and care of the placed children. On June 18, 2014, OHCIS approved the submitted CAP.

Recommendation:

The FFA's management shall ensure that:

1. The FFA is in compliance with Title 22 regulations and free of CCL citations.

Maintenance of Required Documentation and Service Delivery

- FFA social worker did not develop timely, comprehensive initial Needs and Services Plans (NSPs) with the participation of the developmentally age-appropriate child.

CAD found that six initial NSPs reviewed did not have the child's and/or County CSW's signature or sufficient documentation of the FFA's efforts to obtain the County CSW's signature. One child's initial NSP due on June 6, 2013, was not signed until July 19, 2013.

- FFA social worker did not develop timely, comprehensive updated NSPs with the participation of the developmentally age-appropriate child.

CAD found that three updated NSPs reviewed did not have the child's and/or County CSW's signature or sufficient documentation of the FFA's efforts to obtain the County CSW's signature. Two NSPs due on April 18, 2015, were not signed.

- FFA social worker did not develop timely, comprehensive, quarterly reports.

CAD found that three quarterly reports reviewed did not have the child's and/or County CSW's signature or sufficient documentation of the FFA's efforts to obtain the County CSW's signature.

During the Exit Conference, the FFA representative acknowledged the importance of having the child's and County CSW's signature on all NSPs and quarterly reports. The FFA representatives stated that they will continue to review their NSP protocol including content, timeliness and obtaining the County CSWs signatures and/or documenting three FFA social worker's attempts to obtain said signatures.

CAD conducted a follow-up visit to the FFA on November 2, 2015 and reviewed the FFA's social worker training module of October 22, 2015 for development of NSPs along with the newly developed form to ensure that all NSPs and quarterly reports include necessary signatures.

Recommendations:

The FFA's management shall ensure that:

2. FFA social workers develop timely, comprehensive initial NSPs with the child's participation.
3. FFA social workers develop timely, comprehensive updated NSPs with the child's participation.
4. FFA social workers develop timely, comprehensive quarterly reports.

Health and Medical Needs

- Required follow-up medical examination not conducted timely.

One child did not receive a timely follow-up medical examination. The initial examination was conducted on May 13, 2014 and notes indicated that follow-up examination was required by November 17, 2014. However, the follow-up exam was not conducted until February 11, 2015.

Recommendation:

The FFA's management shall ensure that:

5. Follow-up medical examinations are conducted timely.

PRIOR YEAR FOLLOW-UP FROM DCFS OUT-OF-HOME CARE MANAGEMENT DIVISION'S (OHCMD'S) FFA CONTRACT COMPLIANCE REVIEW

The OHCMD's last compliance report, dated November 12, 2014, identified three recommendations.

Results:

Based on the results of the current review the FFA fully implemented 1 of 3 prior recommendations for which they were to ensure that:

- All children are visited in compliance with the contract requirements.

Based on the results of the current review, two recommendations were not implemented:

- FFA Agency is in full compliance with Title 22 Regulations and free of CCL citations.
- Initial NSPs are completed timely.

Recommendation:

The FFA's management shall ensure that:

6. The outstanding recommendations from the monitoring report dated November 12, 2014, which are included in this report as recommendations 1 and 2 are fully implemented.

At the exit conference, the FFA representatives stated their desire to remain in compliance with all Title 22 regulations and contract requirements and reiterated that the FFA will implement procedures to strive towards greater compliance.

CAD conducted a follow-up visit on November 2, 2015. It was noted that the FFA had implemented all five recommendations noted in this report. The FFA is tracking client and County CSW signatures on initial, updated NSPs and quarterly reports and coordinating necessary medical examinations for placed children. CAD will continue to assess implementation of the recommendations during our next monitoring review. OHCMD will provide ongoing support and technical assistance prior to the next review.

Re: 2014-2015 Foster Family Agency Monitoring Review

Bienvenidos submits the following Corrective Action Plan addressing the Monitoring Review Field Exit Summary for the 2014-2015 performance year.

I. LICENSURE/CONTRACT REQUIREMENTS

4. Is the agency free of substantiated Community Care Licensing complaints' reports on safety and physical plant deficiencies since the last review? (SAFETY)

Bienvenidos received two CCL complaints. Bienvenidos works cooperatively and collaboratively with CCL as well as with OHCIS. In each instance, appropriate follow up action was taken, the CAP/s were approved, and the resource family was decertified.

II. MAINTENANCE OF REQUIRED DOCUMENTATION AND SERVICE DELIVERY (IV)

30. Did the FFA Social Worker develop timely, comprehensive, Initial (NSPs) with the participation of the developmentally age-appropriate child? (WELL-BEING)

31. Did the FFA Social Worker develop timely, comprehensive, updated (NSPs) with the participation of the developmentally age-appropriate child? (WELL-BEING)

35. Does the FFA social worker complete timely comprehensive quarterly reports? (to County workers by 10th business days following the end of each quarter from the date the child was placed.) (WELL-BEING)

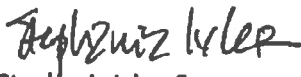

Since receiving the Monitoring Review Field Exit Summary, Bienvenidos has, and will continue to review NSP protocols including content, timelines and necessity for obtaining County worker signatures or demonstrating three attempts to obtain signature. In-service training dates, agendas and sign in sheets will be maintained. A copy of the form letter to document attempts to obtain CSW signature is attached to this CAP.

III. HEALTH AND MEDICAL NEEDS

This specific "failure" to obtain follow up medical records was due to the transfer of the child. Bienvenidos social workers have been, and will continue to be advised of the ongoing importance of assuring that medical records be timely obtained.

Please do not hesitate to contact me directly with any further questions or concerns.
